

FOR IMMEDIATE RELEASE

**MAXIMIZE SERVING ABILITIES
AND EXTEND MENU OFFERINGS
WITH THE VITA-MIX® XL™**

- 1.5 gallon real blending capacity, which allows for up to twenty-four 8 oz. servings in a single batch, for reduced back-of-the-house prep time and improved staff and workflow efficiency, process elimination and labor and time savings
- 4.2 peak horsepower motor and high-performance blades yield consistent and quality results with improved taste and nutrition
- Variable speeds, pulse function at any speed and pre-programmed timed cycles allow for endless menu and meal options and control over the consistency and texture of the finished product for flexibility in blending techniques
- 192-ounce capacity BPA-free Tritan™ copolyester clear container that is ergonomically designed and dishwasher safe for easy use and reduced clean-up time; also includes 64-ounce container for smaller jobs and tamper for whole food processing while blending
- Lower profile for better countertop space management
- Reliable and durable for long machine life, with a 3-year limited parts and labor warranty, including a 1-year service contract
